SCHOOL OF PHARMACY

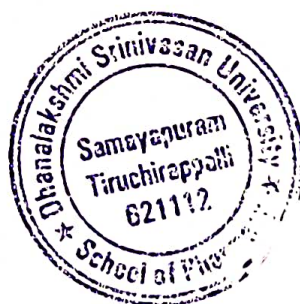

CAREER GUIDANCE CELL

Career Guidance Cell specializes in helping students to develop their skills and its functions to ensure the best placements for the students graduating from School of Pharmacy, Dhanalakshmi Srinivasan University, Trichy.

- This Cell has a perfect understanding of how the corporate world works and this helps in organizing events and programs that provide avenues to the students to get exposed to the real world of work.
- It assists students and their ability to think out of the box as it conducts Webinars, Seminars, Workshops, Personality Development Programs, and Guest Lecturers etc. at regular intervals so that the students get ample opportunities to closely interact with professionals from different industries they will be heading out into the professional world with a lot more awareness and preparation.
- It also arranges In-house Training, Internships and In-plant training with corporate organizations. That will help in polishing their skills.
- It emphasizes inculcating both attitude and aptitude in students. All the students are trained in Basic English, Quantitative Aptitude, Soft skills, and technical skills right from 2nd Year level.
- Selection of the topics and methodology of training delivery is done by the mutual concern of Industry experts, academic experts, along the cell, thereby enabling us to choose the best training for the students.
- We motivate them to incorporate relevant certifications programs by providing them with the best infrastructure support, state of art laboratories, interaction with industry experts, etc.
